

Maxwell Mohammadi

Smart contract engineer · Palo Alto / San Francisco Bay Area

maxmohammadi.com · github.com/maxmoneycash · linkedin.com/in/maxwellmohammadi · maxwell.mohammadi@gmail.com

I build Aptos Move systems, onchain trading products, LLM agent infrastructure, and high-throughput crypto demos for teams evaluating the Aptos stack.

EXPERIENCE

Software engineer — Aptos Labs

September 2025 — Present

Shipping LLM MCP servers, onchain trading bots, high-throughput Move contracts, and product demos for Decibel Trade, Shelby Protocol, Whop, and Polymarket-style prediction markets.

Blockchain Consulting — EY

September 2024 — September 2025

Full-time blockchain consulting in the Bay Area practice — enterprise custody infrastructure, incident response, and cross-chain work across EVM and Move ecosystems.

Board Member — Blockchain Acceleration Foundation

September 2022 — September 2023

Part-time board seat supporting university blockchain education and ecosystem programs.

President — Blockchain at Cal Poly

June 2021 — September 2022

Led the university blockchain organization — education, industry partnerships, and the developer community.

Software Engineer — Sydereal

December 2020 — October 2021

Migrated satellite telemetry from SQLite to InfluxDB and implemented spacecraft anomaly detection, saving about \$150K.

Forensic Data Analysis — EY

June 2021 — September 2021

Worked with Solidity, EVM, and DeFi protocols to create product research for clients.

AI Research — Proximai.com

May 2020 — June 2021

Contributed to RaDAR, a spatial-temporal framework for military aircraft GO/NO-GO decisions.

Forensics & Integrity Services — EY

July 2020 — August 2020

Intern cohort placed top 3 in the capstone; analyzed client data for sentiment and fraudulent financial reporting; built a COVID-19 back-to-work strategy and employee app concept for Ford; trained on Power BI, Alteryx, and Relativity.

Data Science — CSAI Cal Poly

April 2019 — July 2020

Built parts of the CSAI voice assistant that answers Cal Poly CS department questions — office hours, prerequisites, and campus info.

Sponsorship Coordinator — Camp PolyHacks

May 2019 — February 2020

Organized corporate sponsorships for the 2020 hackathon — 100+ students at the SLO HotHouse and \$25,000+ raised.

Administrative Intern — Valence Law Group, PC

July 2018 — September 2018

Helped design a data and workflow automation system for a commercial real-estate law firm; assisted on lease documents and attorney invoicing.

President — Draco Clothing Company

November 2017 — July 2018

Led a Junior Achievement-sponsored student company teaching high schoolers how to run a business.

President — Northgate Business Club

September 2017 — June 2018

Co-founded the high-school business club — career education and professional networking for students.

Director of Sales, Fleece Bay — Junior Achievement of Northern California

December 2016 — November 2017

Ran sales strategy for the student company that won the JA Best Business Plan Award.

SELECTED WORK

Aptos Prediction Market

aptos-polymarket.vercel.app

Built a Polymarket-style Aptos demo with Move contracts, market UI, live trade streams, TPS dashboard, HFT bot visualization, and 10k TPS pitch benchmarks.

Whop Finance

whop.finance

Built a Whop-style Aptos finance demo with Tether WDK flows, creator payments, yield, cross-chain transfers, investing, and agent banking account views.

Decibel / Shelby Agent Infrastructure

github.com

Built Decibrrr with custom Decibel onchain SDK paths, TWAP and market maker strategies, delegation-based trading, Shelby content rewards, and MCP workflows.

Sol2Move

github.com

Built a Solidity-to-Aptos Move v2 transpiler with Solidity analysis, inheritance flattening, OpenZeppelin support, Move parsing, validation, and differential fuzzing.

EDUCATION

B.S. Computer Science — California Polytechnic State University, San Luis Obispo

2018 — 2023

President, Blockchain at Cal Poly

HONORS & ORGANIZATIONS

Junior Achievement Best Business Plan Award — Fleece Bay

Accounting Career Awareness Program (UC Berkeley) · CalCPA · National Association of Black Accountants
